

SURFINGDOCTORS

IN THE RIGHT PLACE AT THE RIGHT TIME

Ladies and Gentlemen,

It's that time of the year again where we cordially invite you to put down the stethoscopes and dust off your favourite tube riding machine and head with us to the mysterious and soul enriching confines of the Alas Purwo National Park, aka G-Land, for the Surfing Doctors 2013 annual conference. As with every year, the focus will be a week filled with waves and wisdom. With good tides accompanied by peak seasonal swell and numerous clinical workshops, you're sure to find your own piece of solstice in the jungle.

The dates for this years conference are September 21-27 at G-land Surf Camp. It has been accredited by the Australasian College for Emergency Medicine (ACEM) for CPD points. Subject to swell conditions, the full conference program can be found at <http://surfingdoctors.com/1523/annual-conference-21st-sept-26th-sept-2013-g-spot-surf-camp/>. If you would like to share your pearls of knowledge or are interested in attending, please contact us via <http://surfingdoctors.com/contact/> as we are finalising numbers for the fast boat over. To book accommodation, please contact the camp directly at www.g-landsurfscamp.com.

We look forward to seeing you all there!

Surfing Doctors.
